## **our mission**

The Cortland Youth Bureau will provide our community the opportunity to participate in a wide variety of recreational and educational programs. We will strive to provide the highest quality programs and facilities that meet the needs of the diverse community we serve. It is our desire to combine a positive environment with a rewarding experience.

We will enhance healthy and active lifestyles while connecting more people to parks, programs and youth services. We will do this through stewardship of public resources and by providing programs and spaces to fulfill unmet needs.

## **scholarships**

The Jim Partigianoni Scholarship is available for participants of all ages, who, for financial reasons, would otherwise be unable to participate in CYB programs. Scholarships apply only to in-house programs, not including field trips. Interested participants can fill out an application at the CYB office.

## **parents&participants**

Our programs are provided for the fun and enjoyment of all who participate. Parents and participants are expected to exhibit appropriate behavior at all times. It is the expectation of the CYB that participants and spectators will show respect to all involved.

## **photo disclaimer**

Registrants and participants of programs and special events automatically permit taking photos and videos of themselves and their children during CYB activities for the publication in the program guide, website, social media, and additional promotions as the CYB deems necessary.

## programs, field trips & more!

The Youth Services division of the CYB promotes positive youth development by providing recreational, cultural, and educational opportunities for teens and preteens. Staff members also offer informal counseling and referrals to other service agencies in the community. Overall, the multi-faceted program encourages kids to engage in productive behaviors, establish healthy beliefs, and maintain clear standards for themselves and their peers. This holistic approach to youth development helps our young people build the assets they need to carry them into adulthood. **A special Thank You to the New York State Office of Children & Family Services for helping sponsor the Youth Services Division.**

The Youth Center is located in downtown Cortland at 35 Port Watson Street. The Youth Center offers a huge variety of programs and events for young people including field trips, game tournaments, tutoring, guest speakers, music lessons, artwork, craft projects, cooking classes, free dinners, job search assistance, volunteer opportunities, and more! The facility itself is equipped with pool, ping pong, and foosball tables; a full kitchen; music room with guitars, amps, and a full drum kit; a sound stage and DJ booth; and closets full of board games and craft supplies. Parents should feel free to discuss their child's needs with Youth Center staff members.

**volunteer incentive program** Kids who do community service or help with tasks at the Youth Center can turn their time into money, not cash, but discounts on the Centers field trip and program fees. For every hour a youth spends volunteering, the Center will take \$4.00 off the price of a field trip or program. Kids can use their service credits immediately or save them up for later use. Credits earned and used are recorded in a logbook. For those interested in earning credits around town, a handy guide is available which lists the contact information for local agencies and businesses in need of volunteers.

**ywca summer camp - building a better us** Join us June 29th - August 28th at the YWCA as we build a better us! We will be planning, creating and participating in activities that help us reach our full potential, become better friends, community helpers, strong, fit and happy. We will revolve our activities around one trait and skill of the week, all while taking part in our usual go-to Camp activities. Traits we will touch on are: Empathy, Gratitude, Kindness and Responsibility. Skills we will be practicing: Physical Fitness, Mindfulness & Nutrition. Camp opens at 6:30am and runs till 6:00pm Monday through Friday. Fridays are our field trip days where we travel to the Rosemond Gifford Zoo, Skate Estate, NY State Parks and more! Snacks & lunch provided and campers will swim daily! Space is limited with two sites available. First come, first serve. Enrollment will open early April. For more information, please contact Janice Meyer at 753-9651. See you this Summer!
